Restarts will be Delaware Double File except for the last five (5) laps of the 40 lap Feature or (10) laps of the 50+ lap Feature, which will be single file.

Cars out of line or jumping a start will result in a caution and being penalized one (1) row.

A yellow flag means your wheels aren't turning. If a car spins and creates a caution and you make contact and stop, you are also part of the caution. If you spin to avoid, you'll get your spot back If you spin and it creates a caution, but you keep going, you will blend back in the lineup.

In any event less than 50 laps, you will be allowed two (2) cautions. Events that are 50 laps or more, you will be allowed three (3) cautions.

All races will end in Green-White-Checkered.

Hitting cars under caution or after a checkered will result in being parked for the balance of the event.
